SUMMARY

Product designer with 2 years of experience, taking ideas from user research to working prototypes. I currently design a data dashboard and AI voice call experiences at Bharat Intelligence.

WORK EXPERIENCE

Product Designer (Full-time)
Sep 2026 – Present

Bharat Intelligence, Bengaluru

- Design a data dashboard built on internal APIs, owning its structure, layouts and interaction flows.
- Design the user experience for AI voice calls and create the AI personas that shape how the voice talks.
- Work with product and engineering to turn raw data into clear, usable screens.

Product & Experience Designer
Dec 2025 – Mar 2026

Staypreneur (Vaya Via), Nashik

- Interviewed 15+ travelers, hosts and property owners, then mapped 4 user journeys and a service blueprint.
- Redesigned the full website from sitemap to final UI, including the design system and booking flow.
- Designed "Plan My Trip", which puts stays, activities and transport in one flow. Now live on the site.

Visual Research & Design Intern
Sep 2025 – Dec 2025

Design Horse, Mumbai

- Created research-led visual design for 4 FMCG brands: Nestlé, KitKat, Colgate and DFM Crax.
- Co-created a Ramadan edition pack for Nestlé Milkmaid that was approved and launched in market.

Freelance System Map & Strategy Designer
Mar 2025 – Apr 2025

Flylab, Nashik

- Mapped a startup's internal workflows and proposed a new structure, estimated to cut decision time by 30%.

Product Design Intern
Aug 2024 – Apr 2025

Board Game Startup, Nashik

- Took a board game from concept to a 3D-printed prototype and factory-ready files, tested in 5+ playtests.
